Big thanks to [Aniruddh Ramesh](#) and [Elakiyaa Shanmugasundaram](#) of [NUS Graduate Students' Society](#)!

This is the 3rd (4th?) Batch of talented interns [Staple](#) has taken from NUS master programs. Anyone else looking for amazing candidates with technical skills - message them! Makes sourcing candidates so much easier.

“

Redhill

Mr. Brendan has given us a positive feedback. He's very content with the arrangements made and the entire Internship day process.

“

Thoughtfull World

They were very satisfied with the entire process and might select more students than what they had mentioned before.

“

Motional

The interviews went well. Very content with the internship day team's efforts and the entire process. Amazing set of applicants as well!

“

ALVISUAL

They were very happy with interview process.
